

Commission Needs Funds For Added Water Mains

Recreational Committee Appeals For More Improvement Money

Responding to an invitation of the new City Commission, Engineer Dodd of Sarasota, appeared before that body on Wednesday night and gave the members a complete check up on the plans for the new water treating plant and the water distributing system.

The engineer pointed out that it would be a large economic factor if the Commission could provide an additional \$20,000 to install at this time the large water main between the two storage towers, which was omitted when the contract was awarded, owing to lack of funds. He cited that it was almost imperative that this be done, to provide proper distribution of the water, as well as to get water in the storage towers and reserve pool.

Mayor Taylor named Commissioners DeHaven, Puckett and Van Landingham to investigate as to sources from which the needed finance could be obtained. The Commission's request to the engineer's suggestion was favorable.

It was reported that the present contractor would accept the additional work at the same bid figure submitted when his original bid was accepted and would carry this work on in connection with the water treatment contract.

Representing the City Recreation Commission and backed by the presence of a sizeable number of the commission, Miss Sara Crech appeared before the City Fathers with facts and figures and recommendations, and an eloquent plea, asking that an additional \$100 be provided for the park improvement projects and the salary of year round recreational director. The Commissioners took the matter under advisement.

Owing to the fact that Eastern Standard time was again in vogue the Commission passed a resolution fixing 7:30 o'clock as the hour for Commission meetings on each Wednesday night, except the months of July and August, when only two meetings a month will be held.

The Commission conferred over the matter of City employee salaries and reached an agreement on same which will be adopted by resolution at the next meeting, but effective from October 1st. Raises were granted to all employees, representing an all over increase of around 10 per cent.

BWPC Still Preaching Needs Of Local Park And Public Playground

The local BWPCs are going after their original budget or as much of it as practicable for the Recreation Commission, which it promoted and obtained as an official body in recent months.

Below is the original budget with appropriations by the Town Commission set alongside for comparison.

It is maintained that only \$1100 of the proposed budget was allowed, the \$2400 being for a tractor already owned and run by the Town. Salary for the

director who has been on duty until October 1st was eliminated. The BWPC's with righteous indignation point out that the girl and boy scouts must have their huts and thus leave no place for the playground and rain.

The matter of toilets is also a most important one, as only that one in the girl scout hut is available. That's too restricted accommodations for 50 to 60 kids, all with the same idea and boys and girls too.

City of Belle Glade Park and Playground operating budget for year beginning Oct. 1, 1945 and ending Sept. 30, 1946.

Belcher Oil Co., Starts Work on Its Contract

The Belcher Oil Company, contractors on the Lake road improvement, last week placed "cleans" signs at both the east and west terminals and that road as a thoroughfare will not again be open to public traffic until the big road job is completed. The airport and the chosen bridge routes are the detours now being used to the parking house section and the school.

The drag line and trucks have begun operations at the Thompson parking house terminal and is removing the overburden and road rock at a lively pace. Users of the airport road are cautioned about approaching the Palokkee road terminal, as the highway view is none too good.

Athletic Park Improvements

By the time of the next home football game the new roadway into the Athletic Field, and school grounds will have been completed and the parking space about approaching the Palokkee road terminal, as the highway view is none too good.

Major Taylor named Commissioners DeHaven, Puckett and Van Landingham to investigate as to sources from which the needed finance could be obtained. The Commission's request to the engineer's suggestion was favorable.

It was reported that the present contractor would accept the additional work at the same bid figure submitted when his original bid was accepted and would carry this work on in connection with the water treatment contract.

Attending Reunion

Mr. and Mrs. Henry Earwood of the Okaloosa Migrant Camp, are in Gainesville this week attending the Florida University home coming. This is Mr. Earwood's alma mater school and he is anticipating a pleasant reunion with some of his class mates and friends. While there, he is also looking after business matters at the school which relate to his camp management here.

Commissioner Rardin Promises Good Roads

An impromptu road meeting called by N. N. Stirling at 11 a. m. Tuesday at the highway bridge in Okaloosa was attended by County Commissioner Paul Rardin, the county engineer and several other growers operating in that area.

The purpose of the gathering was to discuss the problem of getting a rock road as an outlet for farm products now being grown east of the North, 100 per cent.

High Waters Prove Disastrous To New Ramie Plantings

Advocates New Water Mains For Packing House Sector

Inquiry at the Eastern Division of the U. S. Sugar Corporation at Azucar, as to the ramie situation on the Newport Industries, Inc. development now going on brought out these facts.

That the flood waters which covered the new planting area, and ruined about 250 acres and same would have to be replanted.

That the advanced ramie stocks sent to have come thru in pretty favorable condition but the losses there will be comparatively small.

That crews are now putting in large drainage ditches to provide outlets for the plantation fields, as it has been demonstrated that new planting in particular cannot stand too much water.

That the flood waters in that section north of the Palm Beach Canal had now receded so that the water is now all confined to the ditches.

Commissioner of Agriculture Nathan Mayo reports a 60 per cent loss of ramie at the plantation, where the Florida Ramie Corporation is erecting a processing plant and where several hundred acres of ramie are under cultivation. The new planting will be required here and that work has started.

This water condition and ramie situation at both plantations bear out the fact that ramie plants can't stand excessive water above their feet or roots. Additional drainage work is being put in at the palm farm in advance present and future flood water overflows.

Lions Will Erect Ticket Booth At Athletic Field

The Belle Glade Lions club, at its meeting Wednesday, week on record as adopting two new projects, both relating to athletics in connection with the field and football team. First the club will sponsor the erection of a black ticket booth for the gate at the playing entrance to the field.

Some money and donations of materials have already been secured. Lions Cameron and Kirk are the committee to work on this project.

The second project is to work for the purchase of side line jackets for the football squad boys for the protection of the players against cold, wind and rain. W. W. Weeks and Chas. Fontaine will report on this project.

County Given Quota For Victory Bond Sale

County Chairman O. B. Carr announced that the quota for Victory Bond sale will open on October 20th, and that Palm Beach County's quota has been set at \$7,241,000 of which bonds will be \$1,345,000. All portions of the county will be organized for the carrying of this bond sale, along lines of the former sales.

It is proposed from this sale, to be transported, will be used for transporting service men back home, caring for occupation servicemen and other servicemen's emergencies.

New Pastor For Church Of God

The Rev. Carlton B. Harris of Sebring has arrived here to serve as the new pastor at the Church of God. He is replacing the Rev. L. H. Alfred who was recently transferred to Jacksonville. Mr. Harris is a graduate of the Bible College at Sevierville, Tenn., and will make his home here with his wife and three children.

Driver's Licenses Issued

Mrs. Katherine Harris of the Belle Glade license bureau this week issued to date around 2,500 driver's permits and it is expected that the bureau will soon bring this figure up to around the 4,000 mark by January 1st.

The number of permits issued is greatly in advance of the same period last year, indicating that more auto are now on the highways.

from Des Moines, had a pullman and it was so hot until we felt the heat. The train was frozen to death. The Camp is about 85 miles from Salt Lake City and there are two buses running every day, free for \$1.00. About 900 soldiers and 75 WACS are stationed here. There were four of us arriving together and when we got off the train, all we saw was a one room station and a road. Finally a G. I. bus picked us up and we rode over a mountain for about 35 miles to the Camp which is in a valley. We have nice barracks and everyone here, including the officers are so nice to us. We have a stable with good horses and I am going horse back riding Friday with some of the boys. Had met many nice girls and fellows. One of my girl friends is from the Virgin Islands. "Last week we went on a rock hunt, 24 of us in all. We traveled in six jeeps, four to a jeep, here in Utah where there is nothing but mountains and they are beautiful. It was really a trip

PVT. GLORIA INGRAM
 Private Gloria C. Ingram, daughter of Mr. and Mrs. E. C. Ingram, recently left the First WAC Training Center at Fort Des Moines, Iowa, to duty with the Army at Toole, Utah, where she is serving as a switchboard operator. She writes: "I'm here in Utah where there is nothing but mountains and they are beautiful. It was really a trip

Georgians Come To Florida

Mr. and Mrs. K. C. Campbell of Atlanta, Ga., and two children, have arrived in Belle Glade to take up their residence and employment. Mr. Campbell, who is a brother of Milton Campbell of the Florida National Bank at Belle Glade, will be connected with the Huffy Farm. They will make their home in the Lloyd estate settlement. Mr. Campbell is not entirely new to the Glades region, as he has resided at Miami and West Palm Beach for the past five years, he has been in Atlanta.

O. E. Murphy Returns To Miami

O. E. Murphy, who has been in charge of the meat department at the A and P market, has returned to Miami to resume his former employment there. K. M. Hitchcock, formerly of the Wildlife store at South Miami, has been named as Mr. Murphy's former police officer at Pahokee.

Making City Audit

The auditing firm of W. A. Keen, of West Palm Beach, has started work on the making of a financial audit of the books of Belle Glade for the past year.

That a better and more extensive and comprehensive building code be drafted in connection with provisions of the present zoning ordinance be drafted and adopted by the city fathers.

Also that jail and fire department inspection and construction be carried on.

That management be divorced, as a combination job just did not work satisfactory.

As Chief Mr. Will also made a report of the department activities. He reported that in the past year the department responded to 41 house, 10 truck and car, 23 grass and nine muck fires. The volunteers held drills and responded to six out of the city alarms. The average pay of the volunteer firemen held under the present building code on buildings and \$23,010 on contents, the largest one fire being the Bill Pierce garage fire.

To Close Local Ratation Office

James S. Thomas, district director of P. A. has announced the closing of many rationing offices in the Glades region. He is expected to be in Belle Glade and Delray will be combined with the West Palm Beach office, Okaloosa, with Ft. Pierce and Punta Gorda and Clewiston with Ft. Myers.

Our local office will close early in November.

Service Men Who Fight and Write

from Des Moines, had a pullman and it was so hot until we felt the heat. The train was frozen to death. Commission Gets Recommendations From Chief Will

He Advocates New Water Mains For Packing House Sector

Looking forward to ever increasing public and private safety and protection from a fire department angle, Chief L. E. Wick Belle Glades first and only fire chief, presented a report and recommendations for improvements to the new City Commission, which body took same under advisement for later action.

He was the following: Added and larger water mains to reach the old and new packing house buildings by means of a loop taking in the section from the pumping station. The placing of additional water hydrants in several other locations, also some new fire hydrants.

That the city secure a new fire truck for use in making first runs to fires, as well as to grass and muck fires. He suggested that a new fire truck, a new chassis with a tank large enough to carry from 400 to 500 gallons of water which he thought could be had for around \$2,500.00.

That such a truck would save use of the large pumps, make quick runs and save money in house fires and could be used to more advantages in grass and muck fires.

That the department be provided with a sufficient number of employees to provide safety at all times. That the South Florida Conservancy ditch over in negro town be kept clean and open at all times to be used as an additional water supply for fires in that section.

That a better and more extensive and comprehensive building code be drafted in connection with provisions of the present zoning ordinance be drafted and adopted by the city fathers.

Also that jail and fire department inspection and construction be carried on.

That management be divorced, as a combination job just did not work satisfactory.

As Chief Mr. Will also made a report of the department activities. He reported that in the past year the department responded to 41 house, 10 truck and car, 23 grass and nine muck fires. The volunteers held drills and responded to six out of the city alarms. The average pay of the volunteer firemen held under the present building code on buildings and \$23,010 on contents, the largest one fire being the Bill Pierce garage fire.

New Partnership Announced

Captain Robert White, well known commercial fisherman, and Quinton Hill, returned war veteran, have formed a partnership, and have opened a new provision store on Avenue E. Their store is to be known as the Quality Market and will handle meats, fish, vegetables and groceries.

Home Demonstration Meeting Announced

The regular meeting of the Home Demonstration Club will be held at the Woman's Club building on Thursday, Oct. 18th at 2 o'clock. Members are urged to attend as work will be done on stenciling flowers, painting, and making Christmas gifts.

Will Have Cubby Hole Office

Judge Hubbell has at last located his office for his public office in the judge's home, but the judge says it "will answer my purpose."

New Policeman On Force

C. H. Carlton, formerly in the employ of the Vaughn and Wright store, is now a member of the Belle Glade City Police department. Carlton is a man with considerable police work experience, having been a police officer for eleven years over in Wauchula and later on the police force at Sebring. The City Commission has fixed his salary at \$200 a month.

Fla. Veg. Committee To Meet In Clewiston On October 23

Important decisions involving the trend of the vegetable industry of Florida in the coming season and thereafter, as related to conditions following the sudden end of the war, are expected to be reached on October 23 when county groups and directors of the Florida Vegetable Committee meet in special session at Clewiston.

Chairman L. L. Stuckey of Pahokee and LaMonte Gram, manager of the Committee, who recently returned from a survey trip to Texas, have sent out the call for the meeting which will include representatives of such commodities as beans, cabbage, tomatoes, lettuce, peaches, potatoes and celery. The meeting will include price ceilings, possible merchandising programs and a report on potential farm acreage, will be discussed. "Graw" stated that there will be meetings of the labor and various post war planning committees.

"We have now been able to correlate much valuable data on the situation in Washington, as well as governmental reports on the conditions in Florida and the rest of the country. With this information before them, representatives of the various commodities will be able to make decisions on the future for both this year and the future."

Direct air service between Miami and Delray and Miami and Chicago was approved recently by the Civil Aeronautics Administration. The routes to be the Delta Aid Lines and Eastern Airlines covering such service.

Park Playground Dedication Ceremonies Disturbed By Heavy Down Pour of Rain

Superior Pluvius put a bad crimp into the arrangements for the Park Playground dedication and presentation of Honor Certificates to members of the Ration Board and Selective Service Board members last night and caused a quick shift of the local celebration from the high school gymnasium to the town hall, where the dedication ceremony was held.

The dedication ceremony was held at the town hall, where the dedication ceremony was held. The dedication ceremony was held at the town hall, where the dedication ceremony was held.

Incorporate For A New Masonic Temple

Belle Glade Lodge, No. 273, P. and A. M., has anticipated for several years the building of a new temple structure to house Masonic lodge activities. A new corporation on a non-profit basis, capital stock \$50,000 has been formed and incorporated. The incorporators are: A. Kirkman, John Freedlund, Lou Betzner, Ralph Freeman and W. P. Risk.

The site of the proposed new hall will be on lots transferred to the corporation for the benefit of the lodge. By Mr. and Mrs. Arthur Wells, as a gift. It may be mid-year of 1946 before building activities get started.

Mrs. Mamie L. Green Killed In Auto Accident Monday

A fatal accident occurred on the South Bay road not far from the Migratory Camp Monday evening in which Mrs. Mamie L. Green lost her life. Mrs. Green was driving from Belle Glade to South Bay where her husband operates a garage.

Investigation by Road Patrolmen and Constable N. R. Whitlock, brought out these facts: That the Green car, a 1934 Buick, was struck by a truck, the force of which swung the car around causing it to strike another tree where it was killed. During the accident, Mrs. Green's body was thrown from the car and landed in the canal, but it was not determined whether her death was due to the wreck shock or from water. The car was pretty badly wrecked.

The deceased was the wife of Clyde E. Green and the family resided at Belle Glade 11 years ago from Indiana. In addition to the husband the deceased is survived by two daughters, Mrs. C. P. Powell, of Gainesville, and one sister, Mrs. William Adams, of Sebring. Mrs. Green was in charge of the funeral arrangements, services being held on Monday afternoon at the home of Mrs. Green's mother, Mrs. J. W. Adams, at West Palm Beach.

Fla. Veg. Committee To Meet In Clewiston On October 23

Important decisions involving the trend of the vegetable industry of Florida in the coming season and thereafter, as related to conditions following the sudden end of the war, are expected to be reached on October 23 when county groups and directors of the Florida Vegetable Committee meet in special session at Clewiston.

Direct air service between Miami and Delray and Miami and Chicago was approved recently by the Civil Aeronautics Administration. The routes to be the Delta Aid Lines and Eastern Airlines covering such service.

Observation and Comment

How did you like the new Athletic Field and the game put on by our running team? Very few seats unoccupied in that grand stand indicating that more seating space might be needed in another year.

The name Seminole is a most curious one, especially in these regions, and it is quite appropriate that the new hotel corporation has decided to call it the Belle Glade lodge by that name. It will look mighty nice having a fine new, modern hotel on Main Street for both this year and the future.

Direct air service between Miami and Delray and Miami and Chicago was approved recently by the Civil Aeronautics Administration. The routes to be the Delta Aid Lines and Eastern Airlines covering such service.

Social Happenings

Mrs. Douglass Thompson and son, Douglas, Jr., of Oklawaha have been guests of Mr. and Mrs. C. A. Thompson and family.

Johnnie Hawkins, RM 14 and Mrs. Hawkins were visitors here last week. He is stationed at Boca Chica Naval Base.

Walter and Anne Sweeney of Ft. Myers are spending several weeks with their grandparents, Mr. and Mrs. R. L. Murray while Mrs. Sweeney has gone to Washington, D. C. to meet her husband, Colonel W. C. Sweeney who is on an official mission there. He is now a member of General Spatz's staff.

Lieutenant H. L. Zumpf who has just returned from the Pacific theatre and Mrs. Zumpf are guests of Mrs. Irvin Zumpf and Mr. and Mrs. Arthur Zumpf of Chosen.

C. G. Train of Birmingham, Ala., is a guest at the home of his parents-in-law, Mr. and Mrs. H. E. Shannon.

Mr. and Mrs. R. M. Hendry were called to Ocala on Monday due to the illness of Mr. Hendry's brother, L. S. Hendry.

Mrs. Clyde Christopher and baby daughter, and Mrs. Margaret Alsbrook of Tampa are guests of the former parents-in-law, Mr. and Mrs. Harry Johnson. Lieutenant Christopher is now stationed at Tucson, Arizona.

Miss Carolyn Freedlund is spending this week in West Palm Beach as the guest of Miss Mildred Swanson.

Mrs. H. E. Jones and daughter, Sylvia, made a trip by plane from Morrison Field, West Palm Beach to Jacksonville Monday returning Tuesday evening.

Mr. and Mrs. George Ganas arrived this week after spending the summer months in the Carolinas.

Miss Sally Mae Lloyd of Orlando was a recent guest of her sister, Mrs. Frances Harris.

JO MARGARET PARSON CELEBRATES BIRTHDAY

Jo Margaret Parson, daughter of Mr. and Mrs. L. P. Parson, entertained her friends on Saturday afternoon in celebration of her seventh birthday. A birthday cake and other refresh-

ments were served and the group attended the movies at the local theatre.

The guests were Aloyce Faye Herring, Anne Spann, Mary Belle Chelchier, Gladys Dell, Genevieve Weeks, Louise Taylor, Esther Greer and Pauline Parson.

SURPRISE PARTY FOR EARNEST PATE

Earnest Pate was entertained Tuesday evening by a group of friends with a surprise farewell party at the Girl Scout Hut. He is leaving this week for West Palm Beach where his family plan to make their home. Indoor games and contests were enjoyed and refreshments served. Mrs. Wm. H. Cook, Mrs. Charles McWhorter and Mrs. Wm. Schreiber were chaperons.

Those attending were Kaye Lutz, Betty Lou Powell, Daphne Schreiber, Donna Lee Bowman, Joanne Livingston, Geraldine Dray, Margaret Campbell, Joan Kent, Carroll McDonald, Boyd Koffman, J. T. Harrell, Edmund Jamison, Bill Bell, Huel Frier, Merle Smith and Floyd Reeves.

BRIDGE PARTY AT FREEDLUND HOME

Mrs. J. I. Freedlund entertained at her home Thursday afternoon with three tables of bridge. Following the games the honored guests, Mrs. James A. Ball and Mrs. G. R. Townsend were presented with gifts from the hostess and refreshments were served.

The guest list included Mrs.

R. V. Allison, Mrs. Thomas Bragger, Mrs. C. A. Thompson, Mrs. Luther Jones, Mrs. W. B. Granger, Mrs. H. L. Haney, Mrs. H. Q. Eardwood, Mrs. C. A. Bailey, Mrs. L. E. Will and Mrs. Virginia Howington.

MISS JONES TO BE FLIGHT STEWARDESS

Miss Sylvia Jones is leaving tomorrow for New York City to enroll at the Eastern Airline School for flight stewardesses. Upon the completion of this five to seven weeks course she will be assigned to one of the air ports for active duty. Miss Jones is a graduate of Pahokee High School and an honor graduate of Stetson University. She is the daughter of Mr. and Mrs. H. E. Jones.

T/SGT. J. B. JONES RECEIVES DISCHARGE

Following four years of service with the Army Air Forces, T/SGT. J. B. Jones was released on October 7th at the Drew Field Separation Station. Before returning to Florida from his base at Dow Field, Bangor, Maine, he was married to Mrs. Sylvia Jones on September 22nd. Mr. and Mrs. Jones and three little children arrived here Tuesday to make their home and he will be associated in business with his brother, Luther Jones.

The children are Peter age 10, Elaine, 8, and Constance, 6, and they will enroll at school here this week.

School News

and
LITTLE FOLKS DOINGS
By Louise Friedheim
Phone 272

Our high school band drilled for the first time on the new Athletic Field Thursday night. This was the first time we had ever played football on the new field and it was really beautiful. Since the uniforms haven't arrived yet, the band members arrived in white slacks and shirts with blue ties. We have a 32-piece drill band with John Bregger as the drum major. The band had practiced and practiced hard for weeks and they really did do fine.

While facing the Vero side the band formed a "V" and played "Washington Post March". Then they marched across the field, faced the Belle Glade student section, formed an "R" for Rams and played our fight song, "We're Loyal to you, Belle Glade High."

The band was given a big hand and it certainly did send chills up and down one's spine to see what a grand success our band was. And to top it all off, we beat Vero 21-0.

The drill band was composed of the following: Trombones, Robert Edges, Huel Frier and Edmund Jameson; Cornets, Barnes Creech, Janie Bracken, Jackie Berry, Jimmy Reever, Anne Kirchman, John Dillworth and Martin Michaels; Clarinets, Ella Mae Hopkins, Claude Johns, Walter Schlechter, Mary Williams, Daphne Schreiber, Kaye Lutz, Frederick Stevens, Louise Emery; Snare drums, Jeanne Hooker, Mary Kate Barwick; Bass drum, Joyce Reever; Synophies, Thome Lee Bowman; Mellophones, Nancy Barwick, Joanne Kent; Baritone, Barbara Will; Tenor Saxophone, Kenneth Lutz; Soprano Sax, Betty Roberts; Alto Sax, Jimmy Herring; Tuba, Johnny Fessenden; Bell lyre, Mary Eleanor Kidder; Sousaphone, Hubert Swain; Flute, Robert Taylor.

The cheering section did very well, too. The south side of the field was reserved for the Belle Glade students and it was reported that the yells were really heard on the north side.

Most of our cheering success is due to Miss Laverly. She has definitely done a lot to help us and we really don't know what to do except say "Thanks a lot."

We are awfully proud of one of our yells. Miss Laverly is responsible for this yell and everyone seems to think it's pretty snappy. It's one of those yells where the cheer leaders ask the questions and the students answer. The next time we have a game be sure and listen for it.

RAMS VS. CENTRAL HIGH

The local squad has been practicing defense against Central High School's offensive formation. They have also been practicing on pass defense. Lloyd and Mathews, Ram tackles,

are working especially hard and should be able to stop Central's off-tackle plays. The team will be at its full strength for the game. The Ram backfield looked good in offensive formation and are expected to confuse the Central defense when they use various plays from their tricky "T" formation. Cromartie, Cherry and Bearden will do the ball carrying while Pike, McDonald, Wedgworth and Lloyd are expected to clear the way.

It's been the greatest ambition of the Glades team to emerge from the game victorious over West Palm Beach and tonight they'll use every trick they have to see this ambition realized. At least 100 fans from Belle Glade will support their Golden Rams tonight.

The probable starting line-up is: Kent LE, Lloyd LT, Bass LG, McDonald C, Pike RG, Mathews RT, Wedgworth RE, Harrell QB, Cromartie HB, Bearden HB, Cherry FB.

FUTURE FARMERS MEET

The second meeting of the Future Farmers of America was attended by 50 of the 60 members. The meeting time was changed to 7:30 instead of 8:00. The result of the election of officers was as follows:

President, Billy Bearden; Vice President, Roy Kent; Secretary, Ward Harris; Treasurer, Horace Harris;

Reporter, Bob Mathews; and Sentinel, Herbert Lloyd. Committees for initiation, to be held next meeting, were appointed. Coca colas were served as refreshments.

DEMOLAY ELECTION OF OFFICERS

The Demolays held their regular meeting on Monday evening at the Carpenter's Hall. About 25 of the members were present as well as three Masons. Time of meetings was changed to 7:30 instead of 8:00. A public installation of officers will be held on October 22.

The officers elected were: George Wedgworth, Counsellor; Bill Bearden, Senior Deacon; Frank Junie Deacon; Frank Gillis, Senior Steward; Horace Harris, Junior Deacon; Albert Stevens, Oustor; Bob Mathews, Scribe; Frank Roselle, Treasurer; Bob Greer, Sentinel; Ray Kent, Chaplain; Richard Pike, Marshall; Jack Crocker, Standard Bearer; Herbert Lloyd, Alborer; Preceptors, 1st Tillis; 2nd Ward Harrison; 3rd Barnes; 4th Charles Greer; 5th John Bregger; 6th Jimmy Annapu and 7th Robert Taylor.

GEORGE WEDGORTH SURPRISED

George Wedgworth was surprised on his 17th birthday with a party in West Palm Beach on Saturday. Swimming was enjoyed at the Lido Pool and Palm Beach where the crowd surprised George. After the swimming the group went to the Clayton home for lunch which was served by Mrs. J. A. Pike, Mrs. Ruth Wedgworth and Mrs. Clayton. Following lunch they went to a picture show and bowling after which they returned to the Clayton home for cake and ice cream. George was presented with a traveling kit.

Those attending were Mary Elizabeth Hooker, Edith Bregger, Joyce Borchardt, Sue Cherry, Mary Kate Barwick, Peggy Rawls, Peggy Thompson, Billy Bearden, George Wedgworth, Dot Layfield, Richard Pike, Joe Cherry, Sonny Smith, Horace Harris, Barnes Creech, Ray Kent, Phillip Clayton, Barbara Wedgworth and Ronnie Pike.

Local Student Enters Stetson

Loren A. Williams of Belle Glade, who has enrolled as a freshman at Stetson University, Deland, participated in a "Freshman Talent Night" at the Silver Little Theatre recently. His monologue was well received and it is predicted that he will be heard from further during his college course. He is the son of Mr. and Mrs. A. H. Williams of Belle Glade.

A MESSAGE FOR PERSONS LIVING IN RURAL AREAS

Rural telephone service is more highly developed in this country than anywhere else in the world. We are developing a wide-range program to further extend and improve service to rural dwellers in the South.

As soon as conditions permit, the necessary man and equipment will again be put to work on the job of expanding rural service—just as we were busily engaged in expanding this service prior to the war.

The goal is to bring the telephone to the greatest possible number of farm families.

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

The Great Developer...

Henry Flagler
1830-1913

The Royal Poinciana Hotel, 1895

Henry Flagler, who laid out the townsite of West Palm Beach.

THE story of Henry Flagler is a saga of American enterprise. Born in the Village of Hammondsport, N. Y., he left his home at the age of 14 and with his carpet bag and a few dollars, he headed west. How he worked himself up from a country store clerk to a partnership in the Standard Oil Company would take a book to relate. It was not until March, 1893, that Henry Flagler visited this section of Florida. So intrigued was he with its natural beauty and marvelous climate that he bought land right and left.

Envisioning a winter playground on the east side of the lake and a commercial city on the west, he ordered ground to be broken on May 1st, 1893 for the first of his famous Palm Beach hotels. It was completed nine months later and named the "Royal Poinciana". It was then the largest resort hotel in the world, containing 540 bedrooms in its seven stories, and a dining room which seated 1,000 people. (It was on the Royal Poinciana Hotel grounds that the Anthony Brothers started their second store in 1901, where they sold Henry Flagler many of his shoes and clothes.) Meantime, Flagler had secured 110 acres on the west side of the lake and in August, 1893, laid out the townsite of West Palm Beach.

Henry Flagler loved Florida and his sole aim was to make of it the garden spot of the world, regardless of cost. It was his great vision and gameness which caused him to invest his fortune in the Florida East Coast Railway, notwithstanding the fact that no banker would finance his operations at the start and his friends warned him he was pouring money down a hole. Henry Flagler was a true benefactor who knew by experience the lessons of poverty and hard work. He loved to overcome obstacles and undertake what others deemed impossible. Florida is PROUD of him!

The Willits family were en-
tertained at a reunion dinner at
the home of Mr. and Mrs. E. M.
VanLandingham, Belle Glade, on
Sunday. Members attending in-
cluded the parents, Mr. and
Mrs. H. C. Willits of South Bay,
Mr. and Mrs. W. H. Willits of

Miami. Mr. and Mrs. H. C. Van
Landingham and daughters, Car-
rol and Sharon of Belle Glade,
Mr. and Mrs. F. B. Willits,
Frankie and Dan Willits, Mr.
and Mrs. E. M. Willits, Bar-
bara Jean and Johnny Willits
of South Bay, Mrs. H. C. Jones
and daughters, Alice and Sandra
of Miami, Lieut. and Mrs. W. N.
Christensen of San Diego, Cal.,
Bobby, Sue and Billy Van Land-
ingham of Belle Glade.

George Hudson, Jr., who has
been a patient at Lawson Gen-
eral hospital in Atlanta for the
last year is home for a visit with
his father. He was wounded in
the Normandy invasion.

Mr. and Mrs. E. B. Brewer
and family have moved from
South Bay to the Osceola Mi-
gratory Camp at Closen.

Mr. and Mrs. Mark Challin-
ger, Mickey and Jimmy Chal-
lenger and Miss Peggy Thomp-

son visited Mr. and Mrs. J. F.
Bridges and family in Ft. Pierce
Sunday.

Mr. and Mrs. Oren Miller and
daughter, Shirley, of Ft. Lau-
derdale, have moved to South
Bay and are occupying one of
the new summer cottages near
the South Bay Industrial Cen-
ter.

Eugene Hardy ARM 2c and
the ladies stationed at Jack-
sonville Naval Training Base
spent a couple of days leave
last week as the guests of Mr.
and Mrs. M. D. Hardy and fam-
ily. Eugene has been assigned to
a school in Jacksonville.

Lieut. W. N. Christensen left
Monday by plane to make ar-
rangements for entering the
University of Washington at
Seattle for the winter semester.
Mrs. Christensen is remaining with
her parents, Mr. and Mrs. H. C.
Willits, until he has located an
apartment.

Miss Marian and Miss Caro-
lyn Mueller accompanied Mr.
and Mrs. V. A. Boos, Stewart
and Craig Boos to LaBelle for
a week end visit with her par-
ents, Mr. and Mrs. S. L. Stewart.

Rev. Jarvis of Malone, Fla.,
was the visiting minister at the
South Bay Baptist church Sun-
day in the absence of the pastor.
James V. Allen CSF is ex-
pected home on leave within a
few days for a visit with his
parents, Mr. and Mrs. W. C.
Allen.

Sgt. Joe Wall was here on a
visit last week. He has just re-
ceived his discharge from the
Army after two years overseas
service in the European theater.

News has been received here
of the death of Tom Cook in
Georgia where he was visiting
his family. He had been employ-
ed at Indiantown since leaving
South Bay.

Dorell Walker, son, Cecil and
daughter, Mrs. Dillen Thomas
of Ft. Myers visited H. B.
Walker and family Thursday
and Friday of last week.

Cpl. and Mrs. Floyd Abstein
and daughter, Judy, are expect-
ed to arrive shortly from Rolle,
Missouri for a 10-day furlough
visit with Mr. and Mrs. W. C.
Allen. Cpl. Abstein is stationed
at Camp Leonard Wood.

Mrs. Curtis Rutledge and son,
Joey, of Hollywood, spent the
week end with her sister, Mrs.
Forrest Newton and family.

Cowain R. A. Robinson has
received his discharge from the
U. S. Navy and returned to his
family in South Bay.

Merrill McAllister is expect-
ed home shortly on furlough
from the Merchant Marine
Training Camp at Paris Island,
S. C.

The Pickwick Cafe
V. V. WORTHAM, Prop.

COMMISSIONER RARDIN

Continued from page 1
River Canal and on either side
of the Bolea Canal. The farming
tracts are diked and are being
pumped by individual pumping
units which are keeping the high
water under control so that crops
may be grown, but the farm
muck road is completely im-
passable and would prevent get-
ting products to market.

N. N. Starling stated that he
would engage to build an 18 ft.
rocked farm road up to the
Bolea Canal a distance of two
miles east to intersect the county
road which runs south just west
of the Okeechobee Camp from
State Road 23. After some dis-
cussion it was decided to go
ahead with the road which will
open some 9000 acres of rich
muck lands in some 13 sections.
The road is to be graded and
surfaced with 18 inches of rock,
most of which will be taken
from the bottom of the Bolea
Canal after the initial open-
ing is rocked from Starling rock
piles now in existence.

County Commissioner Rardin
who was called last night and
requested to be present agreed
to secure one-third the estimat-
ed cost, \$7,000 from county
funds provided the land owners
and interested growers put up
the remaining two thirds of the
cost, total of which will be
\$21,000.

During the discussion Mr.
Rardin called attention to the
fact that a road through that
area running east from Okeela-
to intersect Road 25 at Six
Mile bridge was contemplated
and would be built as soon as
possible. This road he said would

**SEASONED

require a 200 foot right of way
and would be constructed as a
permanent road such as Road 29
of solid rock laid on bed-rock
as any other form of paved
highway construction had prov-
ed totally inadequate in the
mucklands where the road grade
was of muck with a rocked sur-
face.
This temporary road which
will be started as soon as Mr.
Starling can get a dragline at
work and will be completed, he
stated, in time to move the fall
crops now being planted in this
area. He estimated that he
could complete the two miles in
60 days.

TERED BRAHMAN COWS AND ONE AA BULL IN TEXAS.
WE NOW HAVE 14 HEIFERS AND SEVEN BULL CALVES
FROM OUR HERD ALL Sired BY A AA BULL

MOST OF THESE CALVES HAVE BEEN WEANED AND
WE WILL BE PLEASED TO SHOW THEM AS WELL AS OUR
ENTIRE HERD AT AN YTIME.

SEE OUR BRAHMANS AND YOU WILL SEE WHY WE
LIKE THEM AS A PROSPECTIVE GLADES PRODUCT.

VAN LANDINGHAM BROS.

MEMBER

"THIS IS THE Day..."

The day we long have sought is here. Victorious in arms, America stands
on the threshold of a future bright with promise and hope.

In the struggle just ended, the mighty resources of the South have been
of vital importance to the nation. Now, with an unpleasant job behind us, we
can all turn from the destruction of war and devote our full efforts to the
building of a greater Southland. While the economic progress which we
have achieved in recent years is more than heartening, the future beckons
with opportunities for developments which will overshadow anything we
have known in the past.

In harmony and cooperation with our friends and neighbors in the territory
we are privileged to serve, Seaboard Air Line Railway will continue to
work for the advancement of our common cause.

For a good job well done...

In our first flush of victory and peace, let us remember the
unselfish contributions of time and talent made by the volunteer
workers of many groups and organizations within our midst.
South Floridians, along with similar organizations throughout
America, have demonstrated again that we are a nation united.
The labors of all these volunteer workers, young and old, will
continue until all the wounds of war are bound up and healed
forever. To them, in deepest respect and admiration, we say...
"Thanks... thanks for a good job well done!"

Here Is Your Park

Belle Glade, Florida
October 9, 1945

Miss Adelaide Perry, President
Business and Professional Women's Club
Belle Glade, Florida

The Business and Professional Women's Club is to be highly commended for the splendid work being done at the City Park. The recreational facilities which your Club has made possible are not only excellent for the young people, but for adults also.

I am sure the boys returning from the Armed Forces will be greatly pleased to find that Belle Glade has taken such forward steps in fitting out the park so that they can have good, clean entertainment.

It is a worthy project and, I assure you, that I give it my whole-hearted support.

Respectfully,
Hub Spooner,
Veterans Representative
United States Employment Service

Business Women's Week of Activities

Sunday—Attend Baptist church as a group.

Tuesday—Miss Adelaide Perry entertained with a President's Tea at the Nurses Home.

Thursday—Presentation of Awards to members of the Ration Board and Selective Service Board at the City-wide Barbecue.

Miss Adelaide Perry, President
Business and Professional Women's Club
Belle Glade, Florida

A program of organized play under the supervision of a competent Director is a valuable asset to character building and a credit to any community.

Our play program came just at the right time to take care of our children during their vacation. Children are naturally inclined to play aimlessly and with selfish and clamorous habits. A public playground takes care of ALL children and therefore teaches the best methods of teaching good citizenship.

Let's back our playground and our Supervisor. We live in a fast growing community and we must not neglect one single phase in the lives of the most important members of our community—OUR CHILDREN.

(Signed)
Mrs. G. R. Townsend

A REPORT TO YOU

Last October, by endorsing the B. P. W. Club's proposal of a fully equipped and planned City playground and park, you made possible the first step Belle Glade has taken toward an organized, supervised recreational program.

A recreational Council, composed of one member each from the Boy Scout Council, Girl Scout Council, Legion, Lions, Rotary, P. T. A., Woman's Club, B. P. W. Club and the City Park Commissioner, was organized. To this Council the City Commission gave recognition and delegated definite duties.

The Recreational Council first secured the assistance of Mr. John Garrett, a qualified playground-landscape architect, to plan our Park and Playground areas so that we would derive the greatest amount of use from every square foot and keep the planning and building program in line with a beautiful Park also. Mr. Garrett gave Belle Glade a day of his time at no cost to the Recreational

Council nor the City, and every plan and idea advanced by your Recreational Council is based upon the sketch of our completed Park program as drawn by Mr. Garrett.

With the funds made available by you, the B. P. W. Club purchased the necessary equipment and under the direction of a trained director, Miss Myrtice Gillman, the supervised activities began at the City Park on June 1st. Despite 64 days of rainy weather, over 150 children have participated in group activities throughout the summer, and 40 adults registered and enjoyed the facilities of the Park. In addition to these, two summer Bible School groups used the playground and equipment during the course of their instruction. Since the beginning of school, the playground and equipment has been fully used by the children after school hours, with an average daily attendance of 35 children.

Recent contributions from the Lions

Council nor the City, and every plan and idea advanced by your Recreational Council is based upon the sketch of our completed Park program as drawn by Mr. Garrett.

With the funds made available by you, the B. P. W. Club purchased the necessary equipment and under the direction of a trained director, Miss Myrtice Gillman, the supervised activities began at the City Park on June 1st. Despite 64 days of rainy weather, over 150 children have participated in group activities throughout the summer, and 40 adults registered and enjoyed the facilities of the Park. In addition to these, two summer Bible School groups used the playground and equipment during the course of their instruction. Since the beginning of school, the playground and equipment has been fully used by the children after school hours, with an average daily attendance of 35 children.

and Rotary Clubs have made possible automatic drinking fountains. The Boy Scouts have contributed toward the installation of badly needed toilet and shower rooms. The Florida Ramble Corporation has donated an outdoor bulletin board. To complete the immediate needs of the playground, a picnic-playshelter must be erected to relieve the strain now being placed upon the Girl Scout Hut, the use of which was generously allowed during the summer months by the Girl Scout Council.

The growth and success of the Recreational program will depend upon the continued employment of a full time director, and under her enthusiastic supervision you will find at your Park a Center of activity and enjoyment for everyone.

Respectfully submitted:

Sara Creech, Chairman (B.P.W. Club)
Mrs. Pearl Hamilton, Sec.-Treas. (Girl Scout Council)
Mrs. Martha Freeman (Woman's Club)
Mr. H. O. Earwood (Lions Club)
Mr. A. E. Kirckman (Rotary Club)
Mr. H. E. Jones (Legion)
Mr. Joe Cherry (Boy Scout Council)
Mr. Lee Puckett, Jr. (City Commission)
Mr. Frank Hobson (P.T.A.)

For The Success of the Barbecue, Thanks To:

Joe Cherry for furnishing the meat.
J. K. Baker for barbecuing.
The Woman's Club for baked beans.
The Lions Club (with the help of the Home Ec Dept. of the School) for the slaw and onions.
The Legion for the bread.
The P. T. A. for potato salad.
The B. P. W. Club for water, coffee, paper cups, pickles.
The Rotary Club for paper plates, spoons and napkins.
The City for the portable platform.
Lou Betzner for borrowing and installing the School loudspeaking system.
C. S. Johnson for rushing the installation of the tennis court lights.
Hap Parson for D. D. T. dusting of the Park for the Barbecue.

REALIZING THE IMPORTANCE TO THE DEVELOPMENT OF BELLE GLADE, WE, INDIVIDUALS AND BUSINESS FIRMS LISTED BELOW, HEARTILY ENDORSE THE SUPERVISED RECREATION PROGRAM AND URGE THE FULL COOPERATION OF EVERY FORWARD THINKING CITIZEN OF THIS COMMUNITY.
